

Ellesmere College Lettings Policy

1.1 Scope of the Lettings Policy

This policy related to the letting of Ellesmere College and its defined grounds. Any hiring of the sports pavilion and/or 4G pitch is the responsibility of the Local Authority Sports Services.

2.1 Introduction

The Governing Body is committed to making every reasonable effort to ensure the school building and grounds (premises) are available for community use.

2.1.1 Definition of a Hiring

A hiring may be defined as 'any use of the school premises by either a community group or a commercial organisation', regardless of whether a hiring fee is charged. It must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils. For staff wishing to utilise the school facilities this should be done through wider school arrangements.

2.1.2 Charges for a Hiring

The governing body is responsible for setting the charges for the hiring of the school premises. The Assistant Principal/Executive Principal has a discretionary option up to 15% discount of the hire charge to support such as disability focused, local youth groups, or activities benefiting significant groups of Ellesmere pupils and/or staff. Any additional subsidy should be at the discretion of the Governing Body.

2.2 Applying to use the school

Application to use the school premises should be made using the initial hire request form. The Application Form should be filled in at least 21 days before the event.

- The Assistant Principal will resolve any conflicting requests for the use of the premises, with school functions always receiving priority.
- The Assistant Principal is responsible for the management of lettings, in accordance with the school's policy, the Executive Principal, having delegated this responsibility whilst retaining overall responsibility.
- If the Executive Principal has any concern about the appropriateness of a particular request for a letting, he/she will consult with the Chair of the Governing Body, who has the authority to determine the issue on behalf of the governing body.
- The governing body has the right to refuse an application and no letting should be regarded as 'booked' until approval has been given in writing.

- No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been confirmed in writing.

2.3 Hire Agreement

Once a hiring has been approved, a letter will be sent to the hirer, confirming the details of the letting, along with a copy of the terms and conditions, the hire agreement and a financial schedule.

The hire agreement needs signing and returning to the school before the hiring can take place. It should be signed by a named individual and the agreement should be in their name, giving their permanent private address.

The hire agreement (with the terms and conditions of hire of the school premises attached thereto) will be signed in duplicate by the hirer and on behalf of the Governing Body.

All hiring fees will be paid into the school's bank account to offset the costs of services, staffing, lighting, heating, house-keeping.

Prior to the booking the hirer will ensure that they have undertaken a H&S briefing and that they have appropriate insurance in place along with safeguarding procedures.

2.3.1 Termination of Hire Agreement

The Executive Principal, or the Chairman of the governing body, has the immediate power to terminate any hire agreement relating to the hire of the school premises.

3.3 Indemnity and Insurance

Lettings are made on the agreement that the City Council and Governing Body are indemnified by the hirer against any loss, damage, costs and expenses during the use of the school premises by the hirer except where such loss, damage costs and expenses are

directly attributable to the negligence of the employees of the City Council or the governing body.

The hirer shall insure with a reputable insurance office, against such funds as the hirer may become liable to pay as compensation, arising out of bodily injury or illness (fatal or otherwise) to any person and/or costs, fees, expenses, loss or damage caused to property or the premises by any act or neglect of himself, his servants, agents or any person resorting to the premises by reason of the use of the premises by the hirer.

Unless specifically agreed by the City Council, the insurance cover shall provide a limit of indemnity of not less than £5,000,000 (five million pounds) in respect of any one incident and to include liability for the premises including liability for fire and explosion risks arising from the hire of the premises.

The hirer shall produce the policy of insurance and receipts for the current premium or premiums upon request by the Principal, governing body within seven days of a request. Neither the school nor the Local Authority shall be responsible for any injury to persons or damage to property arising out of the letting of the premises.

Hirers are reminded that it is illegal to photocopy music or plays without the express permission in writing of the copyright holder except in certain circumstances. Any infringement of this is liable to prosecution.
