

Monday 9th March

Tin for Tenth Homeless

Dear Parents/Carers,

The Ellesmere College Student Council met earlier this week to discuss a new campaign to help provide food to the homeless. They are very keen to get involved with this so as of today, we are launching a project called "Tin 4 Tenth". This is something that the whole of Leicestershire is encouraged to get involved in. Ellesmere College are all signed up and registered so now need your help!

Facts...

There are 320,000 homeless people in the UK.

There are 54,000 students aged between 5 and 18 in Leicester City.

Imagine if every student could bring in one tin of food that could be sent to organisations that provide meals for the homeless.

This is the 'Tin for the tenth' campaign. One student, One tin.

It will mean that we could provide a meal for over 10% of the homeless population.

We would like to ask you to think about those people who are homeless or those who have very little to eat. We are asking for every student and member of staff to bring in a tin from home to give to those in need. This will mean that we could provide a meal for over 10% of the homeless population.

We are collecting the tins in from Monday 9th March.

If you can please bring in a tin for the homeless.

We shall be taking them to food banks the week beginning **30th March 2020.**

Thank you for your support – it really makes a difference.

Yours sincerely

Ellesmere Student Council
