

Friday 10th January**The Local Offer Live 2020**

Dear Parent/Carers,

I would like to make you aware of an event that is being held Friday 31st January at the Morningside Basketball Arena. The Local Offer Live 2020 event gives students the chance to see many of the services and opportunities available to them.

Here at Ellesmere we are keen to encourage our Post-16 students, especially student leavers, to visit events like this as it allows them to see the provisions on offer when they leave school and highlights activities to join in with when not in college. This will increase their independence and give them opportunities to do things away from home or college which will improve their social lives and wellbeing.

As parents/carers I realise you will take most of the responsibility for co-ordinating the students outside of college and so it would be advantageous if you could attend.

We will take a small group of students to the event. If you would like to meet us there you could explore the stalls with your own young person and then take them home afterwards.

If you are going to attend then please let me know via email, phone or the slip below.

Yours Sincerely

Sally Gough
Assistant Principal
