

Monday 14th September 2020

Jeans for Genes

Dear Parents/Carers

The 14th to the 18th September 2020 is Jeans for Genes week which is a national event to raise money for young people with genetic impairments.

Ellesmere College has traditionally raised money towards the national charity by allowing pupils and staff to have a non-uniform day and wear their jeans to school on one day of the week. If your child would like to come to school on **Friday 18th September** in Jeans we would request that they also donate £1.00 towards the national charity.

Please do not send your child into school on other days in Jeans. Equally the day is for wearing Jeans and pupils should not be attending wearing other dressing-up clothing. Your child can wear their own choice of tops to go with their jeans.

The money we raise will be used to change countless lives.

We really appreciate your support.

Yours Sincerely,

Mark Botterill

Assistant Principal
