Personal qualities Workshop for Parents and Carers

Dear Parent/Carer

I would like to invite you to a Personal qualities Workshop on **Friday 6th December 1.15-2.45pm**

We have introduced new personal qualities to the school that we will be using with the students and we would like to share these with parents and carers. Kirsty Matthews (Assistant Principal) will cover “what are our personal qualities, how we promote personal qualities at school and how you can support our students to develop their personal qualities at home”.

The workshop is free and refreshments will be provided. Unfortunately, we are unable to provide crèche facilities.

If you would like to join us please complete and return the reply slip below.

Yours sincerely
