PE Days

Dear Parents/Carers

A reminder that students should come into school in their PE kit on PE days. In line with our amended risk assessment, PE lessons will take place outdoors as much as possible.

Students should wear comfortable clothing suitable for outdoors. This can be uniform or other clothes if you feel this is more suitable. They will be provided with wellies and waterproofs if they don't bring their own.

The following table details which classes have PE/Outdoor learning on each day.

DAY	CLASS
